Councilmember Lightner Announces Opening of Ocean Air Community Park Fields and Playground Today

San Diego – Councilmember Sherri Lightner has announced that the playing fields and playground at Ocean Air Community Park are open for use beginning today.

“Children from Ocean Air Elementary and the neighborhood have a beautiful new park and playground to enjoy,” Councilmember Lightner said.

Ocean Air Community Park is a 15-acre park located next to Ocean Air Elementary School at the intersection of Ocean Air Drive and Fairport Way in Torrey Hills. The park includes joint-use playing fields for the students at Ocean Air Elementary School and the community, a large children’s playground area, outdoor basketball courts, sheltered picnic tables, and a view of the Carmel Mountain Preserve.

Sections of the construction fence surrounding the park have been removed to allow public access. The remainder of the fence will be removed on Tuesday, November 24.

Sherri Lightner is the Councilmember for Council District One of the City of San Diego, which includes the communities of Black Mountain Ranch, Carmel Valley, Del Mar Mesa, La Jolla, Pacific Highlands Ranch, Rancho Peñasquitos, Torrey Hills, Torrey Highlands, Torrey Pines, and University City. She took office December 8, 2008.
